

Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1. (Currently Amended) A flash device comprising:
a flash unit;
an a electromagnetic valve;
a spring for unfolding said flash unit out;
a single shaft with two ends, a first end connected to said spring and ~~reacted~~ movable to the motion of said spring, and a second end as a clip used to withhold said flash unit;
a buckle clipped by said clip when said flash unit is shut; and
a pusher used to push said shaft when said flash unit is being ~~press~~ pressed to shut,
wherein said shaft is pushed by said pusher back to a closed position along with said electromagnetic valve being charged to close said flash device.

2. (Original) The flash device of claim 1, wherein said flash unit is a built-in flash unit.

Claims 3 and 4 (cancelled).

5. (Original) The flash device of claim 1, wherein said electromagnetic valve is a one-way electromagnetic valve.

Claim 6 (cancelled).

7. (Original) The flash device of claim 1, wherein elasticity of said spring is between a holding force and a releasing force of said electromagnetic valve.

8. (Original) The flash device of claim 7, wherein said elasticity is the force that drives the iron core of said electromagnetic valve outwards and makes said flash unit open.

9. (Original) The flash device of claim 1, wherein an external force is needed to press said flash unit down to close said flash unit.

Claim 10 (cancelled).
